Job placement information provided for the following Master of Science in Nursing (MSN) or Post-master's Certificate programs:

Post-masters Certificate Family Nurse Practitioner (PM-FNP)
Post-masters Certificate Adult Nurse Practitioner (PM-ANP)
Family Nurse Practitioner (FNP)
Adult Nurse Practitioner (ANP)
Clinical Nurse Specialist (CNS)
Nurse Educator (N.Ed)
Nurse Administrator (N.Ad)

Master of Science in Nursing (MSN):

The MSN survey is sent out annually to recent graduates who provide overall program satisfaction and employment settings. The most recent survey was administered in Summer 2014 to the 2014-15 graduates; prior results covered graduating classes of 2009 through 2011 and 2013-2014. Across all years 234 were surveyed and 72 responded. Of those who responded to the survey:

- **Program Satisfaction:**
 - Overall strength of the SHS graduate program -- 85% of the respondents rated the program as "excellent" to "good, above average".
 - 78% stated the SHS graduate program prepared them extremely well or very well prepared for their career.

- **Employment / Job search:**
 - 94% are employed within the field of nursing using their graduate degree or post-masters certificate.
 - 84% stated they were employed in the field of nursing using their graduate degree or post-masters certificate within 6 months of graduation (73% were employed within 3 months of graduation).
